## DISCUSSION

### PLANNING AREA STANDARDS:

#### Allowable Uses and Permit Requirements

Storage yards are allowable uses subject to Minor Use Permit approval. *This application meets this requirement.*

### LAND USE ORDINANCE STANDARDS:

#### *Section 23.07.120 - Local Coastal Program*

The project site is located within the California Coastal Zone as determined by the California Coastal Act of 1976 and is subject to the provisions of the Local Coastal Plan.

### COASTAL PLAN POLICIES:

#### Public Works:

*Policy 1: Availability of Service Capacity:* The applicant has demonstrated that adequate public service capacities are available to serve the proposed project because services already exist for the structure and will serve letters are required.

#### Coastal Watersheds:

*Policy 7:* Siting of new development: *The proposed project is consistent with this policy because the new storage building will be located on an existing lot of record in the Industrial land use category on a slope less than 20 percent.*

*Policy 8:* Timing of new construction: *The proposed project is consistent with this policy because the project is required to have an erosion and sedimentation control plan and all slope and erosion control measures will be in place before the start of the rainy season.*

*Policy 10:* Drainage Provisions: *The proposed project is consistent with this policy because the project is required to have a drainage plan that shows the construction of the new residence will not increase erosion or runoff.*

Visual and Scenic Resources:

*Policy 1: Site Selection for new development: The proposed project is consistent with this policy because the development is sited so as to protect views to and along the ocean.*

*Policy 5: Land-form Alteration: The proposed project is consistent with this policy because grading, earthmoving, major vegetation removal and other land-form alterations within public view corridors will be minimized.*

***Does the project meet applicable Coastal Plan Policies:*** Yes, as conditioned

## EXHIBIT A - FINDINGS

### *CEQA Exemption*

- A. The project qualifies for a Categorical Exemption (Class 3) pursuant to CEQA Guidelines Section 15303 because the project is a minor addition or alteration to an existing structure that does not expand the existing use of the structure.

### *Minor Use Permit*

- B. The proposed project or use is consistent with the San Luis Obispo County General Plan because the use is an allowed use and as conditioned is consistent with all of the General Plan policies.
- C. As conditioned, the proposed project or use satisfies all applicable provisions of Title 23 of the County Code.
- D. The establishment and subsequent operation or conduct of the use will not, because of the circumstances and conditions applied in the particular case, be detrimental to the health, safety or welfare of the general public or persons residing or working in the neighborhood of the use, or be detrimental or injurious to property or improvements in the vicinity of the use because the project does not generate activity that presents a potential threat to the surrounding property and buildings. This project is subject to Ordinance and Building Code requirements designed to address health, safety and welfare concerns.
- E. The proposed project or use will not be inconsistent with the character of the immediate neighborhood or contrary to its orderly development because the project is similar to, and will not conflict with, the surrounding lands and uses.
- F. The proposed project or use will not generate a volume of traffic beyond the safe capacity of all roads providing access to the project, either existing or to be improved with the project because the project is located road constructed to a level able to handle any additional traffic associated with the project.

### *Coastal Access*

- G. The project site is not located between the first public road and the ocean. The project site is within an urban reserve line (Callendar Garrett) and an existing coastal access point exists within 1 mile of the project site, therefore, the proposed use is in conformity with the public access and recreation policies of Chapter 3 of the California Coastal Act.
